Unauthorized or Unscheduled use of the reserve range area without prior notification to RVSSA can result in cancellation of the user contract.

RVSSA agrees to maintain all shooting ranges in the reserve area to the best of its ability and agrees to assist the users with requests for additional and future range improvements, maintenance and special projects.

As approved by the RVSSA board, RVSSA reserves the right to expel from any of its shooting ranges any person/entity who violates the established RVSSA range rules or range safety rules.
